

# Midterm 1 - Results

- double-check addition of points
- ~~X~~ means that thing is incorrect
- ✓ (or /) means that thing is correct
- ~~ok~~ means it's incorrect but you still got credit

## Common Mistakes:

#1 opposite direction; scalar answer; forgot units

#2 using line charge formula; scalar answer; need more care if rotating the problem

#4 can't use point charge  $V$
